Activities

“Wild Weekends”

From March through October you are invited to join our “Wild Weekends” with free-of-charge days of activity and brief lectures on animals, plants and nature conservation held at the **Wilhelma School**.

Free Guided Tours

The **Wilhelma attendants**, trained members from the Association of the Friends and Patrons of the Wilhelma, impart interesting facts about the animals and plants kept at the Wilhelma and the history of the Zoological-Botanical Garden.

Dates: April – October. Saturdays, 02.00 pm, Sundays and public holidays 10.30 am and 02.00 pm

Duration: about 90 minutes

Where? At the “Meeting Spot Guided Tours” in front of the Winter Garden

Reservations: not required; participation is always possible.

Open to you every day of the year

The main entrance and the animal and plant houses open daily at **08.15 am**. The Aquarium, Amazonian House, Terra Australis, Insectarium, the Ape House, Small Mammal, Bird and Insectivore House, as well as the Elephant House, open at 09.00 am.

When does the Wilhelma close?

	Closing times of houses	Closing times of the park
May through August	from 06.30 pm	08.00 pm
April and September	from 06.00 pm	07.30 pm
March and October	from 05.30 pm	06.30 pm
November through February	from 04.00 pm	04.30 pm

The Aquarium closes 1 hour before the other animal houses on Tuesdays.

Did you know ...?

If you decide to upgrade to an annual pass today, your current day ticket will be refunded.

Possible only during operating hours at the ticket booths at the main entrance (Mar. – Oct. until 04.00 pm; Nov. – Feb. until 03.30 pm)

Important information for your visit

Wheelchairs and barrier-free round tour

If you require a wheelchair, please contact the supervisor at the main entrance. Visitors with limited mobility can make use of a staircase-free round tour through the Wilhelma, a map of which can be obtained from the supervisor at the main entrance as well.

First Aid

In the event of an emergency, please contact our staff, or call the publicized emergency numbers of the rescue services.

Filming and photographing

Private filming and photographing from the walkways is permitted. Unpaid-for publication of recordings/photos is permissible, if the location of these is properly quoted. Publication of recordings/photos for commercial purposes and all recordings/photos using models are subject to authorization by the Director.

“Lost kids” and lost property

If a “lost” child is found, our staff will bring it to the main entrance and a public address call will be issued with a notification that it may be collected there.

Found items are stored at the administration building for some time (Tel.: +49 (0)711 / 54 02 0).

Baby-care rooms

Baby-care rooms are in the Wilhelma Restaurant, in the restaurant at the Farm Exhibition, in the new Ape House, as well as in the rest rooms at the Wilhelma Shop and next to the main entrance. The latter furthermore offer changing facilities for adults (“for all”). If you need advice, please talk to our supervising staff at the main entrance.
